# ABOUT US

Florida Youth Challenge Academy (FLYCA) is a community-based program that leads, trains and mentors 16-18-year-old high school dropouts so that they may become productive citizens in America's future.

This award-winning program has been recognized as one of the nation's most effective and cost-efficient programs for targeting youth who are at the greatest risk for substance abuse, teen pregnancy, delinquency, and criminal activity.

FLYCA is the only program of its kind in the state and is operated by the Florida National Guard. To date, over 6258 have graduated from our Florida counties and over 3592 GED's earned.
